---

His      He's

Her      She's

**His** friend studies every day, **he's** a real brain.

---

Witch

Which

Wish

**Which witch** do you **wish** to kill?

---

With

White

I don't like my pants **with** **white** stripes on.

---

are/is

He **is** a nice person.

It **is** a perfect day!

They are nice people.

You are best friend/friends

The table is white.

The tables are white.

---

Was

Were

Where

I was late for class today.

- Where is my food? Who ate my food?
- It was the cat...

- Where were you guys last night?
  - We were at a club.
- 

a

an

An animal I like is the elephant. An elephant has a trunk instead of a nose. To see elephants you need to go to a country far away from Sweden. Maybe you can go to a zoo.

---

Who?

How?

Who came into my house? And how?

---

to

too

two

- To go to school more than two times a week is too much for me.
- I think so too.

Att, till, två, för, också... ← översättning
