

1. Choose a **subject** that is **connected to South Africa.**

2. Find **interesting information about that subject** to share with your class. Make sure to use *words that show your ability to speak*, but also to *adapt your language to your audience.*

3. Plan a **5 minute presentation** about it (4-6 min).

4. Make a **keynote**, with **maximum 5 words / slide**, to show during your presentation. Choose **pictures that match what you say.**

5. *Practice your speech.*

All underlined words are part of your instructions.

All bolded words have to do with your content.

All words in italics affect the grading of your speech.
