

You are now placed in teams.

Your job is to record (with the camera on your i-pad) a conversation about the book/movie (or play if you like).

1. **Introduction** (presentation)
e.g. "We are going to have a discussion about the book *Journey to Jo'burg* and compare it to the movie *Sarafina* and our own life and experiences."
2. **Short summary** from both of you. (presentation)
e.g. "The movie *Sarafina* is about ..."
3. **Discuss and comment** the movie and compare **similarities and differences** to your own life.

The clip should be about 10 - 15 minutes long. After recording you can edit your clip in i-movie.

Be done with recording and editing by Friday 25 October!

Good luck!
